

## NOTICE

### **Commencement of Academic Activities and Conducting Examinations physically within the Institute – Stage 04**

The Institute of Technology University of Moratuwa has decided to commence its academic activities and conduct examinations physically for small groups of students with the approval of the University Grants Commission.

Accordingly, Academic activities and Examinations for the following disciplines will commence on **28<sup>th</sup> April 2021** physically within the institute adhering to the guidelines issued by the Ministry of Health and the Health and safety guidelines prepared by the ITUM Emergency Management Unit. Students of following disciplines are required to be present at the institute on **18<sup>th</sup> April 2021**.

|  |   |  |
|--|---|--|
| <b>Civil Engineering Technology</b>    | } | <b>Semester III and IV (Batch 2018/2019)</b> |
| <b>Textile and Clothing Technology</b> |   |  |
| <b>Nautical Studies</b>                |   |  |

All students are required to strictly adhere to the following instructions.

1. All students are strictly instructed to adhere to the health and safety protocols proposed by the ITUM Emergency Management Unit (Please see the ITUM Web for more information).
2. All students of the above mentioned disciplines are strictly required to obtain a certification from Public Health Inspector (PHI) of your area before coming to the institute. (Please use the format uploaded in the ITUM web to obtain the certification).
3. All students are required to bring their own personal belongings such as a plate, cup, hot water flask (if required) and safety equipment (sanitizers, face masks... etc.)
